

December 2018 Bible Reading Plan

Preparing for Christmas: The Gospel of John

Twenty-one days; twenty-one chapters. Reading the Gospel of John in December will take us to “only 4 days before Christmas”. We have read all four Gospels in September-December. Let me encourage you to remember we are in the ADVENT Season, remembering the Coming of Christ. We will read a cavalcade of “I AM” statements made by Jesus. We are continuously confronted with the question, “What will I do with this Jesus?” John reports many miracles: water into wine, a man blind since birth receives sight, Lazarus raised from death, a man crippled for 38 year stands up and walks, five loaves of bread and two fish feed 5000 people! The book of John is simple enough that a child can’t miss its glorious message, and deep enough that no one will ever mine its full impact.
