

Having Our Peace Endure
(Part 3)
(Psalm 42:5)

1. My soul can be cast down and disquieted within me.

Why?????

2. My soul can be attacked by the devil.

- A. Satan's name means prosecutor.
- B. He tries to make you feel alone and on trial.
- C. He tries to make your life a trial.
- D. He tries to get you to prosecute yourself.
- E. He is the serpent that poisons you with lies.
- F. That serpent, Satan, has had his head crushed. (Romans 16:20)

A second reason why my soul can become downcast and disquieted within me is:

3. My soul is cast down because I have lost hope.

- A. Hope is the anchor of your soul. (Hebrews 6:19)
- B. Retrieve your hope in God. (Psalm 42:6; Psalm 23)

4. My peace will return when I start praising God.

- A. I shall praise God.
- B. His countenance upon me will help me.
- C. My God will change my countenance! (Psalm 42:11; Psalm 43:5)
