

January 2019 Bible Reading Plan

The Book of Beginnings: Genesis, chapters 1-30

The first five books of the Old Testament are commonly known as the Torah in the Hebrew Bible. Often times it is referred to as “the Law.” Genesis permits us to view the beginning of a multitude of realities that shape our daily existence: the creation of the universe and the planet earth; the origins of plant and animal life; and the origin of human being, marriage, families, nations, industry, artistic expression, religious ritual, prophecy, sin, law, crime, conflict, punishment, and death.
