

## Jesus Christ Our Living Hope!

### Part 3

(John 1:1-5, 14; Titus 2:13)

There are three choices set before us:

1. There is **false hope** for those who live without Christ.  
(1 Corinthians 15:12-19)
2. There is **no hope** for those who die without Christ.  
(1 Corinthians 15:20-26)
3. There is **living hope** for those who live with Christ.  
(John 11:25-27; Colossians 1:27; 1 Peter 3:15)
  - How does this relate to Christmas?  
(Titus 2:13)
    - The birth of Christ is the **beginning** of living hope.
    - The life of Christ is the **revealing** of living hope.
    - The death of Christ is the **full payment** for living hope.
    - The resurrection of Christ is the **proof** of living hope.
    - The second coming of Christ is the living hope we are **waiting** for.
